MEMORABILIA

. . . . . PUBLISHED BY . . . . .

THE SENIOR CLASS

Bloomsburg High School

BLOOMSBURG, PENNSYLVANIA

George E. Elwell & Son
Bloomsburg, Penna.

FOREWORD

Within the following pages we have endeavored to record in permanent form with words and pictures the MEMORABILIA . . . the things worth remembering . . . of our high school years. We hope that this book will become a lasting monument to the accomplishments and to the friendships of the Class of 1941, and that these MEMORABILIA will be treasured throughout the rest of our lives wherever in this world our respective destinies may lead us.

DEDICATION

To Miss Cleora M. McKinstry, our true friend and wise counselor, we, the Class of 1941, dedicate this volume of the Memorabilia in grateful appreciation of her cherished comradeship and guidance. Through this dedication we have sought to pay her our highest tribute.

THE SCHOOL BOARD

Seated, left to right: S. A. Harker, D. D., President; R. G. Buckalew, Vice President; Roy D. Snyder, Treasurer; W. B. Sutliff, Secretary.

Standing, left to right: Leo C. McNamee, Norman W. Hoffman, G. Edward Elwell Jr., G. W. Moon, Esq., Solicitor

The School Board is composed of seven prominent men of Bloomsburg. They have regular meetings once a month at which time the business connected with a successful school organization is transacted.

In the past years, they have greatly improved the appearance of the high school building, especially by having the inside repainted in colors which contribute to the comfort of the eyes.

We, the seniors, want to thank them for all that they have done for us in the past, and wish them continued success in their efforts for the advancement of Bloomsburg High School.

L. P. GILMORE
Supervising Principal

Members of the Class of 1941:

You are graduating during a "spot" year and some of you will be called upon to play "spot" parts during your generation. For this you will need courage and vision. Bloomsburg High School has done its best to equip you for these tasks. From this point you will have to travel more or less alone. No matter what crises confront you, always remember there is no substitute for hard work honestly rendered. With this admonition, go forward. Our best wishes and concern for your success attend you.

Very sincerely yours,

L. P. Gilmore

Supervising Principal.

To the Class of 1941:

Your high school obligations are finished. The door to new opportunities is before you. May I suggest that you are facing a changing and fast moving world where traditions and ideals are being given new interpretations. It is my hope that during your high school days you may have received the inspiration and training that is necessary to face the future with courage and confidence.

Sincerely yours,

J. Claire Patterson

J. CLAIRE PATTERSON
Principal

To Elva:-
One of the finest, most dependable persons it has been my good fortune to know. My very best wishes for your future success and happiness
Sincerely
Alex Fisher.

IN MEMORIAM

We, the Class of 1941, dedicate this page to the memory of two of our classmates, Frances Hess, who died in her eighth year of school, and Betty Dyer, who died during her freshman year at Bloomsburg High School.

The memory of their friendly and cheerful personalities will live long in the hearts of their fellow classmates.

Activities

MEMORABILIA STAFF

Under the direction of Miss McKinstry, the Literary Staff of the Memorabilia started to work early this year. Marian Trump was elected Editor-in-Chief, and Daisy Coffey was elected Assistant Editor. The Business Staff of the Yearbook, under the direction of Mr. Wagner, has selected Richard Remley as Business Manager.

We, the staff, would like to acknowledge the help we have received from the faculty. Miss McKinstry and Miss Jones proof-read, Mrs. Kline secured the activities of the seniors, Mr. Knorr supervised the typing, Mr. Patterson took care of the circulation, and Miss McKinstry and Mr. Wagner were the faculty Literary and Business Managers. We want to thank them all.

The Memorabilia, the major project of the senior class, has been our goal throughout high school. We hope you like it.

PRESS CLUB

During the past school year, the Press Club, under the capable direction of Mr. W. E. Letterman, faculty adviser, has very successfully fulfilled its purpose to encourage the interests of the high school pupils in the journalistic field. Despite the fact that more rigid entrance requirements were introduced, the club had more members this year than in previous years.

Weekly meetings were held, at which time issues of the "Red and White" were planned, and assignments were given. Each member was required to have his assignments properly written and prepared when due. The quality of work done determined the member's standing in the club.

Nancy Patterson proved to be a very capable editor-in-chief of the "Red and White."

NATIONAL QUILL AND SCROLL

The Quill and Scroll is an honorary organization to encourage high school students who have journalistic talents and ambitions.

To become members of Quill and Scroll, students must be seniors in high school; they must be in the upper third of their class in scholastic standing, must have done superior work in writing, editing, or business management, must have been members of Press Club for at least two years, and must have been recommended by the faculty adviser and approved by the national secretary-treasurer.

Students who qualified for membership in Quill and Scroll for 1941 are: Daisy Coffey, Jean Lichtenwalner, Jeanne Knight, Nancy Patterson and Marian Trump.

NATIONAL THESPIANS

The National Thespian Society was founded to create a more active and more purposeful interest in dramatics. Students who meet the necessary requirements become National Thespians. These National Thespians represent many types of dramatic technique.

Those participating in these different phases are: Elizabeth Ryan, Alberta Naunas, Charles Jacobs, Christine Bachinger, David Heller, Harriet Rhodes, Jean Galbreath, Patricia Moyer, Iona Hendershott, Sara Garthwaite, Dorothy Letterman, Frank Johnson, William Dreibelbis, Reynold Hedland, Richard Remley, Paul Burns, Janice Peifer, Richard Snyder, Isabelle Hartzel, Donald Housenick and Ruth Eisenhauer.

Thespians from last year who are still in school include: Myles Katerman, Joanne Magee, Robert Grubb, Geraldine Rider, Arthur Stair, Helen Wirt, Herman Kuster, Jane Buckalew, Jean Niesley, Marylou Fenstemaker, Jeanne Knight, and Patsy Nelson. These Thespians and prospective Thespians for next year act as chairmen of programs for the following year, and each September set up a program for the entire year.

DRAMATIC CLUB

Each year the Bloomsburg High School Dramatic Club moves further into the spotlight of the school and the lives of its participants. This year, as in the past, the club was the pride of the high school.

This organization with its membership of nearly 200 is the most active group of its kind in this vicinity. Sometime during the year every member of the club is on a committee which is supervised by a National Thespian, or a prospective National Thespian. Each week a program is presented by one of these committees.

Officers of the 1940-41 Bloomsburg High School Dramatic Club included:

President, Arthur Stair; Vice President, Robert Grubb; Secretary, Jean Niesley.
Advisory Board—Patsy Nelson, Jeanne Knight, Helen Wirt, Joanne Magee.

ALL SCHOOL PLAY

On Friday, November 15th our school presented "When Stars Shine," one of the finest all-school plays ever enacted on the Bloomsburg High School stage.

A light comedy full of sparkle and life, football and heroes, sorority girls and cowards, this play did not have a dull minute.

Jane Buckalew and Patsy Nelson were arresting personalities as they lost and won their heroes, Bob Grubb and Robert DeMott, while Sara Garthwaite delighted the audience with her version of the grandmother.

CHORAL SPEAKING CHOIR

One of the newest organizations in the Bloomsburg High School, the Choral Speaking Choir, was organized as a distinct part of the Dramatic Club work this year. The group was composed entirely of girls who had no other extra-curricular activity.

The purpose of the choir was three fold: first, to develop a love and appreciation of poetry; second, to increase interpretation and understanding of poetry; and third, to improve the articulation, enunciation, and tone of the voice.

The choir used selections of really good literature which illustrated refrain work, two-part work, group work, and unison work. Some traditional and some modern English poetry were enjoyed, but most of the time our finest American contributions to world poetry were used.

The personnel was composed of thirty members, who met every Tuesday afternoon. The officers of the club were: President, Harriet Rhodes; Vice President, Louise Gross; Secretary-Treasurer, Alberta Naunas.

Bloomsburg High School feels that this organization is something of which to be proud.

THE FLAG TWIRLERS

The beginning of this school year saw the organization of a group of thirty-seven Flag Twirlers under the supervision of C. W. Kurtz. This group, one of the largest crops in the United States, performed during the foolball season as added features to the concerts presented by the Band, and appeared at the Susquehanna Band Festival in Clinic Demonstration.

The girls were neatly attired in white sweaters and white skirts, with a red letter "B" setting off the uniform. In order to effect an efficient organization, the group was formed along military standards with the following officers elected by the group: Jean Maschal, Captain; Ruth Fortner, Lieutenant; Ruth Meeker, Lieutenant; Jean Galbreath, Sergeant; Della Martz, Sergeant; Clair Young, Sergeant.

THE MIXED CHORUS

The Mixed Chorus is a musical organization made up of girls' and boys' voices. The club has worked hard under the direction of Mr. Kurtz and has proved to be a success. This is the first year since its organization that so many boys have joined the Chorus. The club sang in an assembly program and for several local organizations.

Six of its members have been selected to sing in the Pennsylvania School Music Association Northwestern District Chorus.

BAND

Once more the Bloomsburg High School Band played an active and important part in the activities of the school year, beginning in the fall by adding spirit and color to the football games at home and away. As usual the Band participated in the many Hallowe'en parades and played engagements for several town organizations.

On January 29th the fifth Annual Band Concert was presented in the auditorium of the Bloomsburg High School with Dr. George Sallade Howard, member of the American Band Master's Association and also faculty member, Department of Music, Pennsylvania State College, as guest conductor.

Throughout the year the Band exchanged concert engagements with the various schools.

The Band closed the season by having the honor of being host to the Pennsylvania School Music Association whose festival lasted for three days.

Mr. Kurtz and the Band extend their deepest appreciation to the Band Mother's Auxiliary, Rotary Club, and the Kiwanis Club for their aid and cooperation throughout the entire year.

TRI - HI - Y

The Tri-Hi-Y, reorganized last year, has become one of the strong clubs of the school. At every meeting an interesting, vital subject is presented and discussed. Speakers for this year included ministers, teachers, and several of the girls themselves.

At Christmas the girls gave clothing and toys to rural families, not cared for by other organizations.

The club membership was thirty-four, including thirteen new members. Members are selected on the basis of character, sportsmanship, scholarship, and genuine interest in the purpose of the club which is to create, maintain, and extend throughout the school and community high standards of Christian character. Officers for this year were: President, Jean Niesley; Vice President, Jacqueline Shaffer; Recording Secretary, Getha Bomboy; Corresponding Secretary, Jane Buckalew.

HI - Y

The purpose of the Hi-Y Club is to create, maintain and extend high standards of Christian character throughout the school and community, and to promote clean speech, clean sports, clean habits, and high scholarship. It is an organization comprised of boys from grades nine to twelve.

The club has a total membership of fifty boys with the following officers: President, Dayton Greenly; Vice President, David Heller; Secretary, Myles Katerman; Chaplain, Richard Remley. A large part of the success of the club was due to the work of the sponsor, Mr. John Y. Wagner.

The members of the club drew up a rather exacting constitution which they hope will prove a success in the building of a better club in the future.

STAGE CREW

The stage crew is one of the most active organizations in our school and its policy of cooperation keeps its members hustling most of their extra time. Under the capable direction of Alex Fisher, head of the Art Department, this group handles all the scenery and lighting for all the stage presentations in our school. Three outstanding staged projects made and handled by this club this year were for the Band Concert, the All-School Play, and the Magee Carpet Company Review.

The beauty of scenery and attractive lighting provided by this group added much to the success of our school activities.

The personnel includes: Paul Burns, Richard Remley, Reynold Hedland, Randall Greenly, Roy Heiss, Louis Mayan, Robert Best and Lee Moon.

THE COMMERCIAL DEPARTMENT

The Commercial Department of our school has had another busy year. Students, representing the school and the department, took part in two state contests, the one being held by the Bloomsburg State Teachers College and the other by the Pennsylvania Business Educators.

The Fourth Annual Commercial Program was held Thursday evening, February 27th, in the high school auditorium with the people in the above picture taking part in the program. "Personality" was the theme developed, with classroom situations being brought in to illustrate the training for future life as exemplified in the daily lessons. Musical selections were interspersed throughout the program to add to the entertainment value and a social hour followed in the gymnasium.

COMMENCEMENT ACTIVITIES

The juniors entertained the seniors by sponsoring the annual Junior-Senior Prom, which was held on the night of May 29. Miss Long, Mr. Wagner, and the junior class did a great deal to make the Prom the success it was.

The Class Day Program, under the direction of Mrs. Kline, was held on the afternoon of June 4, and carried out the Americanism theme.

The Rev. Harry K. Franks, pastor of the Church of Christ, gave the Baccalaureate Sermon in the high school auditorium June 1.

To end the senior year, Commencement Exercises were held on the night of June 5. Dr. William H. Coleman, of Bucknell University was the guest speaker of the evening. The student speakers, Nancy Patterson, Mary Lou Fenstemaker, and Catherine Shaffer, were coached by Miss Pensyl.

SENIOR NATIONAL HONOR SOCIETY

To be chosen for membership in the Senior National Honor Society is one of the highest academic honors that a student in senior high school can attain.

Qualifications to be considered by those who select members for the Senior National Honor Society are: scholarship, citizenship, service, character, and activity in extra-curricular organizations.

The senior class advisers, Miss Mary Serocca and Mr. Ray Schell, with Mr. J. Claire Patterson compose the committee whose task it is to choose five per cent of the first quarter of the junior class and fifteen per cent of the senior class for membership in this honorary organization.

The following officers were elected at a meeting held in the spring: President, Jeanne Knight; Vice President, Arthur Stair; Secretary, Elva Fisher.

MARIONETTES

Six years ago, under the direction of Mr. Fisher, Head of the Art Department, the members of the Advanced Art Class and Stage Crew presented their first marionette show. The portable stage, the marionettes, their costumes, scenery, and the play were all produced in the Art Department. Since that time, a new production has been developed each year with all the proceeds being reinvested in improving and modernizing the equipment which is now rapidly approaching the professional.

"Snow White," "Red Riding Hood," "Cinderella," and "The Pied Piper" were all successful productions as well as this year's presenttaion of "Jack and the Beanstalk."

From the beginning, engagements have been accepted to show the marionettes in nearby communities and to local civic organizations. The demand became so great that for the past two years Mr. Mercer has acted as business manager for this group.

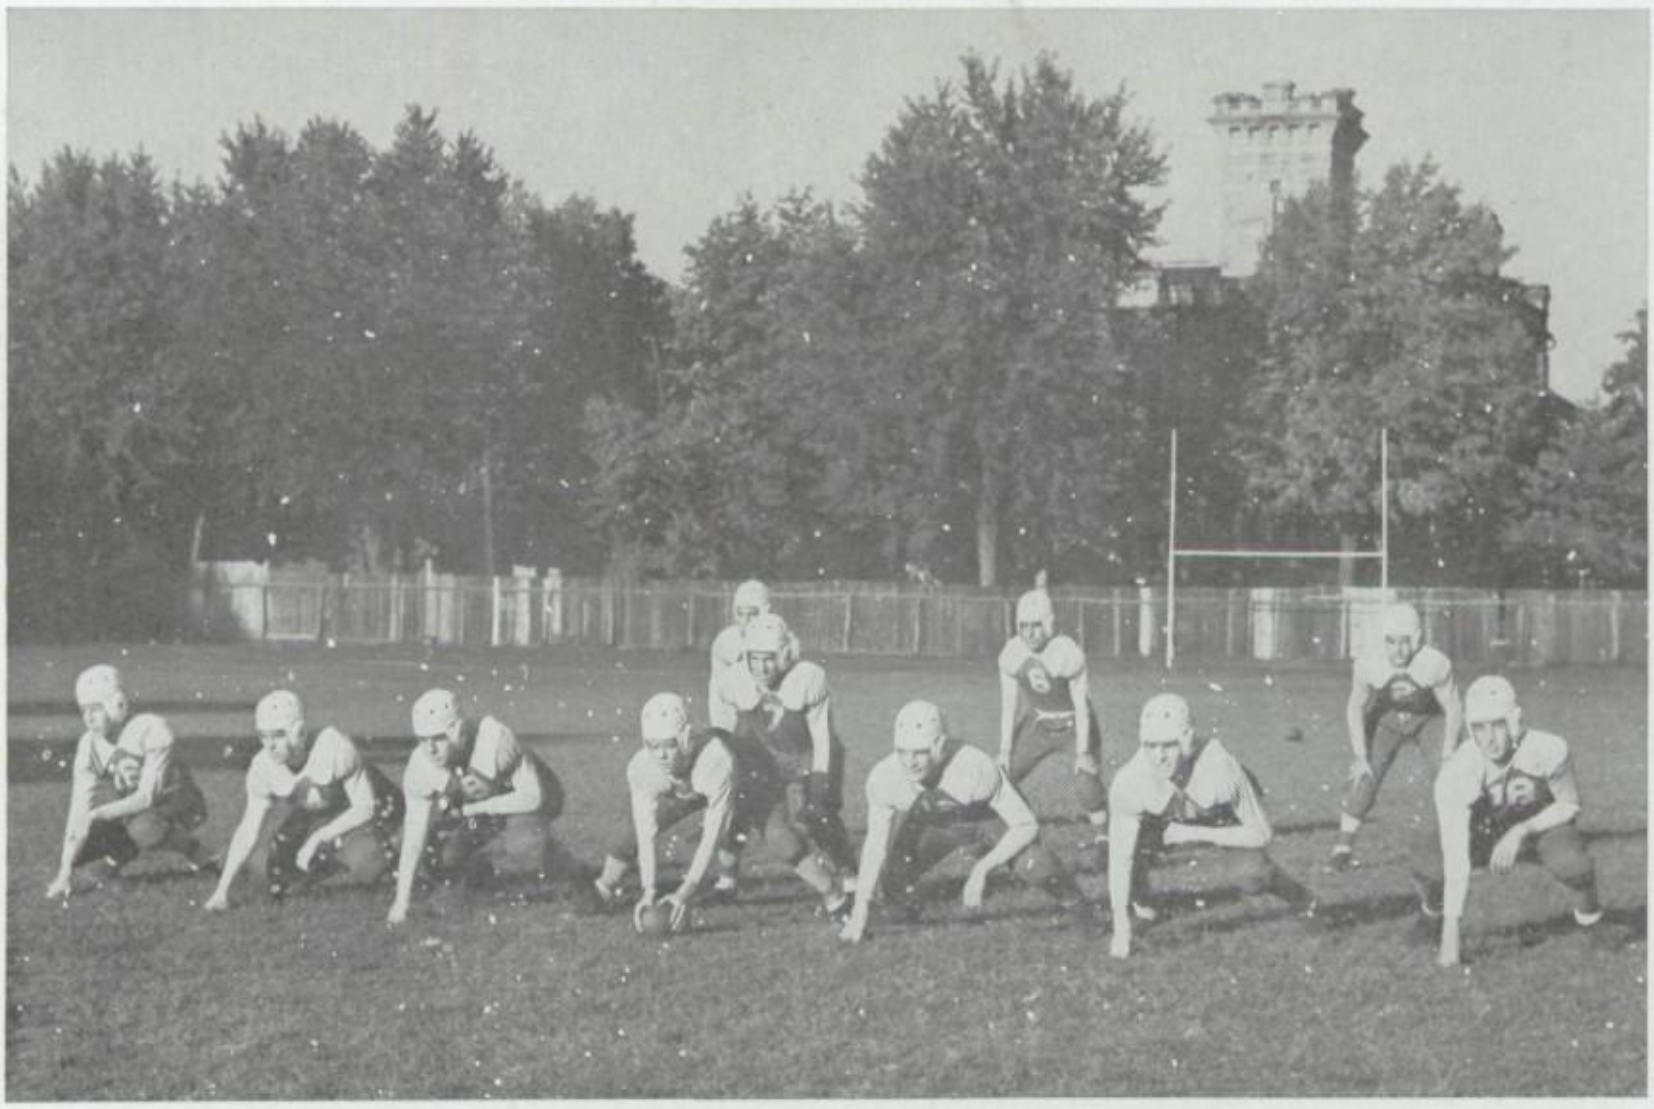
SENIOR CLASS PLAY

The Senior Class Play of 1941 is altogether different from any that has heretofore been presented. The play, "Old Doc," is the heartwarming story of a small-town doctor who has devoted his life to keeping the people of the village healthy. These people, of course, all adore him.

Tempestuous, big-hearted "Old Doc" is ably played by David Heller. His son, Bob, whom he endeavors to bring back to his home town after Bob graduates from college is well portrayed by Arthur Stair. Jeanne Knight, Myles Katerman, and Joanne Magee supply the fun and love-interests running through the play. The lovable characters of Pa and Ma are brought to life by Herman Kuster and Betty Fisher.

The play is a play of languages—English, Irish, Italian—and supplies laughter and tears, love and heartbreak, and good old down-to earth home atmosphere.

Athletics



CHEERLEADERS

"Come on now! Let's yell!" These words focus all eyes of the cheering section on six girls, attired in natty red and white outfits, the cheerleaders of the Bloomsburg High.

Their precise and rhythmic routines were achieved after many hours of regular practice periods during the football and basketball seasons.

Five of these girls will be graduated this June, leaving but one experienced girl for next year. Their loyalty and spirit at the home and away games have added a new glory to the Red and White.

THE NATIONAL ATHLETIC HONOR SOCIETY

The National Athletic Honor Society was organized in 1925, by a group of secondary school principals; since that time over thirteen hundred secondary schools have organized chapters.

The purpose of this society is to raise the standard of scholarship among athletes in the participating schools.

Boys who are eligible for this organization must be sophomores, juniors or seniors. They must have earned a letter in a major or minor sport, have an average equal or higher, for three consecutive semesters, than the general average of the school, and they must exemplify the highest type of citizenship and sportsmanship.

VARSITY FOOTBALL

New spirit was injected into the football camp this year with the coming of Coach Kotys. New equipment was purchased with more and better equipment to be added next year. Boys have now started to turn out for football in their sophomore year instead of waiting until they are seniors.

The squad this year, composed chiefly of sophomores, did not have an unusual season as far as victories are concerned but there was plenty of power and spirit in Kotys' boys.

Next year, with many of the squad returning for another year of competition, and with a new athletic park and new equipment for them to use, we feel sure that Coach Kotys and his boys will give us a season of which we shall be proud.

JUNIOR VARSITY FOOTBALL

The Junior Varsity has fed the Varsity for the last two years, and under the watchful eye of Coach Ray Schell it should continue to feed the Varsity with experienced players.

The squad is composed chiefly of junior high boys. Their schedule this year consisted of three games, Kulpmont, Milton, and Danville. Next year there will be a heavier schedule for these boys.

The Jayvee team will benefit by the new field that will be available next fall. They will also receive equipment from the Varsity for use next year. Consequently, we are expecting big things from these little fellows.

VARSITY BASKETBALL

Coach Golder's Panthers again had a very successful season. They were tied for third place honors with Sunbury and Milton. The record for the 1941 season was 11 wins and 5 losses, and that is a good season in any league.

The following seniors will be lost to the squad next years: Jim Muirhead, Harry John, Howard Coombe and Bill Shaffer. Boys who will be available next year are: Llewellyn Dollman, Jack Vietz, Elmer Angus, Jack Adams, Paul Nevil, and Dick Kahler.

JUNIOR VARSITY BASKETBALL

The Panther Cubs, coached by Frank Golder, turned in a breathtaking record of 15 wins and only 1 loss, thereby winning the Jayvee Susquehanna Conference Championship for the 1941 season. The mainstays of the team were high scoring "Shorty" Kashner along with his running mate Jack Earnshaw. Donald Kline and Leo Schneider were two very dependable guards. The center spot was wide open and was filled alternately by Clark Welliver and Robert Baird. Lesley Feldser also saw plenty of service.

BOYS' GYM TEAM

Although our team lost a dual meet at Pottsville, we are very proud of the grand comeback they made when they won over Pottsville at home in an invitation meet.

For the past three years the Bloomsburg High School Gym Team, coached by Peter Wisher, has been Eastern Regional Champion and three times runner-up in the state meet.

This year Bill Shaffer brought a great honor to the Bloomsburg High School by winning the Pennsylvania State Championship in the Indian Clubs for the third consecutive year. He is the first boy to annex such an honor in the history of the PIAA meet.

GIRLS' GYM TEAM

The Girls' Gym Team, under the capable direction of Miss Yeager, did splendid work during the past year. Every girl who went out for the gym team took part in the home demonstration.

The girls did marching, mat work, dancing, free hand, and double drills.

Twelve girls were chosen to compete at the Stroudsburg Gym Meet, where they did tumbling, free hand drills, and three dances.

Miss Yeager and this group of girls gave much time and energy, in order that this year should be a successful and profitable one.

GIRLS' ATHLETIC ASSOCIATION

The initiation of eighteen new members started the procession of activities on the 1940-41 calendar of the Girls' Athletic Association of Bloomsburg High.

The club, with a membership of thirty, entered the Bloomsburg, Catawissa, and Milton Hallowe'en Parades.

Wheeling, counter-marching, and zig-zag formations in snappy rhythm, aided by colorful outfits, earned prizes in all events.

Other activities listed on the program were supper hikes, skating parties, bowling, and intra-mural sports. A successful round and square dance was held on January 10th.

TRACK

The track season was somewhat hampered by the loss of the use of the Athletic Park. The boys did all of their training at B. S. T. C.

The schedule was: District 4, Berwick, Mt. Carmel, and the state meet at Penn State.

TENNIS

The tennis activities were given little recognition the past year but the team came along fine with little or no coaching.

Mr. Sands handled the scheduling for the team, and several matches were held.

WHY NATIONAL UNITY IS IMPORTANT

TO MY COUNTRY

In the difficult days of the War of Independence, Benjamin Franklin said, "We must all hang together, or assuredly we will all hang separately." These words have as much significance to us as they did to the people of that day, for, although we face new problems, we must strive to attain the same end—a nation politically, economically, and spiritually united.

What is meant by national unity? It means the achievement of oneness in the Army and Navy, in business, in politics, and in education. It means training our military men so that they are efficient in defending our nation. It means organizing our business world by a national conference, so that the causes of delays can be adjusted. It means organizing the small business man, the backbone of this nation.

If we achieve national unity, what will be the results? Politically we will remember that "He serves his party best who serves his country best."[1] We will be intelligent in our loyalties to our President and Congress—extravagance will not usurp economy; rigid economy will not limit us in emergency. We will place our faith, as well as some power of decision, in the industrial leaders of our National Defense Advisory Commission. For the cause of national unity, educators will organize in nation-wide meetings to prevent fear bred of ignorance and to encourage confidence in this—The United States of America. Youth will learn skilled trades; youth will assist local service agencies; and youth will combat the hysteria and defeatism prevalent in our times.

"Then join hand in hand, brave Americans all!
By uniting we stand, by dividing we fall."[2]

—Mary Louise Fenstemaker.

MOTOR COMPANIES VIE FOR POSSESSION OF NEW ENGINE

Harrison Renninger, a rising young scientist, has developed a new type of automobile engine whch is far superior to anything that has yet been used. It is unknown whether the Ford Motor Co. or the General Motors Co. will get possession of the engine which was recommended to both companies by Jack Dawson and Roy Heiss, respective head mechanics of the firms, but it will certainly be a great asset to any make of car.

AVIATOR RESCUES ADMIRAL OF THE NAVY

The S. S. "Ahoy," a battleship, was sunk off the coast of Norway yesterday. Only five of the crew and the Admiral were saved. The Admiral is William Hyde. The members of the crew were Glen Newhard, Lee Maust, Keith Mericle, Morris Mordan, and Charles McHenry. The men were rescued by Charles Crossley, army pilot, who saw them in the water and arrived in his plane just in time to prevent them from drowning.

MOVIE TO BE FILMED

A new picture, "Gone With the Grapes," is going to be filmed very shortly. The star of the picture is Sara Garthwaite, character actress. The picture will also feature Thelma Cotner and Gwendolyn Reichenbach, the nation's number 1 jitterbugs. The picture will be under the direction of Richard Remley, director of Fancy Films, Inc. Chief camera man is Robert Best.

Three reporters have been added to the staff of the Morning Bugle. They are as follows: Jane Horwitz, writing a column on advice to the lovelorn; Marge Rhodes, etiquette; Daisy Coffey, special features.

CLASS HISTORY

FIRST QUARTER

In 1937 we, began our struggle toward victory—Commencement. At the beginning of the game we were inexperienced and uncertain of our plays. Our first penalty was called by our principal; the girls and boys were separated. A change of coaches in the middle of this quarter made the going tough for a while, but the game moved on. Members of our team joined various organizations and started new clubs. Two of our most successful plays were the assembly programs that we put on under the direction of one of our coaches, Miss Lorah. Some of us took part in the All-School play, "Quality Street." Coach Golder guided our team to a goal, when, under his training, our basketball team won the championship of the Susquehanna League. We finished the first quarter with a school picnic.

SECOND QUARTER

In 1938, each one of us decided what part he or she was going to play in the remaining periods of the game—Academic or Commercial. We acquired some new coaches: Mr. Kunkle, Miss Dildine, and Miss Shelhamer. We forged ahead by adding football to our curriculum, with Coach Mordan doing the training. We elected officers of our team: President, James Murihead; Vice President, Dayton Greenly; Secretary, Marian Trump; Historian, Arthur Stair. Mr. Sands and Miss Serocca acted as advising coaches. The different organizations to which our team mates belonged soon distinguished themselves. Our dramatic coach, Mrs. Kline, directed the All-School Play, "Anne of Green Gables"; our music coach, Mr. Kurtz, directed the Band in its third annual concert; our commercial coach, Mr. Knorr, directed the Commercial Department in its second annual program. Goach Golder guided our team to its second goal when the basketball team again won first place in the Susquehanna League. When the whistle blew at the end of the second quarter, we felt that we had advanced greatly towards victory.

THIRD QUARTER

In 1939, feeling more sure of ourselves, we elected the following officers of our team: President, Dayton Greenly; Vice President, Arthur Stair; Secretary, Marian Trump; Historian, Janet Veley. Our advising coaches were Miss Serocca and Mr. Schell. Our football team gained ground for us by improving, and our basketball team carried our colors to second place in the Susquehanna League. We took part in the All-School Play, "Rebecca of Sunnybrook Farm," in the Band Concert, in the Commercial Program, and in the Gym Demonstration, which was directed by Mr. and Mrs. Wisher. Many of the members of our team got together to plan and to decorate for the big event of that quarter, the Junior-Senior Prom. As the third quarter came to a close, we realized what a large part team-work played the work toward victory, our graduation.

FOURTH QUARTER

In 1940, we began our last quarter with the election of team officers: President, Harry John; Vice President, Dayton Greenly; Secretary, Arthur Stair; Historian, Janet Veley. Team advisers were Miss Serocca and Mr. Schell. The National Defense Program touched us when it took one of our coaches, Mr. Kunkle, with the National Guard. We welcomed a new coach, Mr. Kotys, who helped our football team along its way to several victories. Miss Yeager, another new coach, made our girls' gym classes very enjoyable. This quarter was our last chance to prove our ability, and we entered into extra curricular activities. We took part in the All-School Play, "When Stars Shine," The Band distinguished itself in its concert, and the Commercial Program brought out the idea of personality in business. Our teammates did well in basketball, considering the stiff competition they had to meet. We organized our Memorabilia Staff with our coach, Miss McKinstry, and started working toward that goal, with Marian Trump, as Editor-in-Chief; Daisy Coffey, Associate Editor; and Richard Remley, Business Manager. As the end of the game drew near, we, as a team, cooperated in putting on our Senior Class Play. The last few minutes of the game seemed to fly, with the Junior-Senior Prom, Class Day Exercises, and Commencement. As we received our diplomas, we realized that we had achieved victory in this game, but we also were conscious that in the future there would be many and greater contests which we must successfully meet in the great game of life.

APPRECIATION

To Our Parents: Under your guidance and through your many sacrifices we were able to finish our high school training. We hereby wish to offer our sincere thanks in this way.

To Our Board of Education: We are sincerely grateful to you for your important and cheerful assistance in giving us our fine school system.

To Our Faculty: We hope you will forget and forgive us for the trouble and worry we may have caused you. Please accept our sincere gratitude for your splendid efforts on our behalf.

To The Advertisers: Our thanks to you for your financial help, without which the editing of the Memorabilia would be impossible.

ALMA MATER

Bloomsburg High School, Alma Mater,
Always faithful, always true,
Your sons and daughters e'er will cherish you;
Red and White, to you all hail!
See our colors waiving o'er us!
Proudly may they ever fly!
Bear us onward, aid, direct us,
Bid us now to do or die.
Oh, Bloomsburg High School, Alma Mater,
Receive the honor we would give,
And may we strive to do our best and live
True to Bloomsburg High! All Hail!
